

# JANUARY MOVEMENTS: ENCOURAGING GROWTH FOR SOME

## ➤ IFR MOVEMENTS: JANUARY 2009 VS. JANUARY 2008

2010 has begun positively for many CANSO Member ANSPs, with 22 of 37 contributing Members controlling more IFR movements in January 2010 compared to the equivalent month in 2009.

While the data can be seen as generally encouraging for the ATM industry, several ANSPs remain below previous year's levels, including DSNA France (-3.38%) ISAVIA (-20%), and NATS (-9.1%).
